Rules for State-Record Fish

- To be considered a state record, the new fish weight must exceed the current state-record weight by two ounces or more. Fish will be weighed to the nearest ounce.
 - Fish must be caught in Pennsylvania waters open to the public without charge or fee. Fish taken from farm and private ponds, regulated-fishing lakes, ponds or streams or in waters restricted to use by club members or their guests do not qualify.
 - Fish must be caught by legal methods during legally open seasons.
 - Fish must be weighed on a certified scale. Weighing must be witnessed by one person, not including the angler or any companions accompanying the angler at the time of the catch.
 - Measurements must be made with a metal ruler or tape. Measurements must be made by an official measuring station or authorized employee of the Pennsylvania Fish & Boat Commission.
 - Species identification must be verified by a Pennsylvania Fish & Boat Commission biologist, waterways conservation officer (WCO) or other authorized employee of the Pennsylvania Fish & Boat Commission.
 - A clear side-view photograph of the fish is required. Fins should be spread open to the extent possible. The photograph should be in color.
 - Application must be received within 60 days of the catch.
 - Resident and non-resident anglers can qualify.
 - Completed application must be sworn to and properly notarized.
 - The Pennsylvania Fish & Boat Commission reserves the right to investigate the identification, methods used in catching and the accuracy of measuring and weighing. It also reserves the right to reject any application.
 - Each entry becomes the property of the Pennsylvania Fish & Boat Commission including all publication rights. Photographs will not be returned.
 - Parental signature is required for applicants under 18 years of age.
- Visit the Commission's web site, www.fish.state.pa.us, to download applications for state-record fish.
