NOTICE TO ALL FISHING LICENSE ISSUING AGENTS

Effective April 18, 2010, individuals applying for a Pennsylvania Fishing License will be permitted to provide PA driver's license number or non-driver identification number as an alternative to disclosing their Social Security number (SSN).

We have modified Block A on the PFBC-L-101, *Affidavit of Pennsylvania Residency and/or Affidavit Pertaining to Social Security Number*. The form now has a space for recording the individual's PA driver's license number or non-driver identification number. The form is available on our website at <http://www.fishandboat.com/images/pages/forms/pfbc-l-101.pdf>. Please destroy all previous versions of this form.

After completing the PFBC-L-101 form, agents must contact the Automated License Systems' (ALS) Helpdesk, to obtain a customer identification number (CID), at **1-800-280-4853** for *VeriFone* device users and at **1-800-964-7705** for *WebPOS* users or the Licensing and Registration Section at 717-705-7930 during our standard office hours, Monday through Friday 8:00A.M. to 4:00 P.M.

If you have any questions regarding the information in this notice, please contact the Licensing and Registration Section at 717-705-7930.
