Commission Approved Boating Safety Education Courses for Residents and Non-Residents 2007

The Executive Director of the Fish and Boat Commission (Commission), acting pursuant to the authority of 58 Pa. Code §91.7 (relating to criteria for courses of instruction in boating safety education), may designate, by notice, organizations that offer boating safety education courses that are acceptable for residents, nonresidents, or both. The following boating safety education courses are Commission-approved courses for residents and non-residents.

Commonwealth residents are reminded that under 58 Pa. Code §91.6 (relating to Boating Safety Education Certificates), they are required to possess a Boating Safety Education Certificate that is issued by the Commission. Upon proper application and payment of the appropriate fee, the Commission will issue a Boating Safety Education Certificate to a resident of this Commonwealth who successfully completes one of the courses listed below.
