

## **A&E Portal Education Packages:**

Are you looking for virtual learning resources on PA's reptiles? The Pennsylvania Fish and Boat Commission (PFBC) can help. Our Activities and Education Portal (A&E Portal) offers a variety of material on ten different topics to keep people of all ages interested in learning more about aquatic conservation and getting outdoors!

Whether you are building a STEM-, STEAM-, or STREAM-based curriculum, you can use the A&E Portal to support PA State Academic Standards for Environment and Ecology, and Health, Safety, and Physical Education.

### **Reptiles-**

**Reptiles (and Amphibians) video playlist**– YouTube: <http://ow.ly/htax50DK7pu>

In this playlist, you can look through all of PFBC's videos related to reptiles (and amphibians).
