

## **A&E Portal Education Packages:**

Are you looking for virtual learning resources on PA's habitats? The Pennsylvania Fish and Boat Commission (PFBC) can help. Our Activities and Education Portal (A&E Portal) offers a variety of material on ten different topics to keep people of all ages interested in learning more about aquatic conservation and getting outdoors!

Whether you are building a STEM-, STEAM-, or STREAM-based curriculum, you can use the A&E Portal to support PA State Academic Standards for Environment and Ecology, and Health, Safety, and Physical Education.

### **Habitats-**

**VIDEO playlist– Stream Habitat Virtual Field Trip-** YouTube: <http://ow.ly/pVtY50Ewojg>

This playlist/series takes you on a field trip to one of PFBC's Stream Habitat Improvement Projects in Cambria County, PA. The videos introduce you to our Stream Habitat Section, the importance of stream habitat, stream habitat design and permitting, stream habitat truck and equipment tour, project overview, completed habitat structures, followed by a video on how and why PFBC creates stream habitat.

**PLAY newsletter- Good Fishing Needs Good Habitat-** <http://ow.ly/XZzn50Ewoja>

PLAY issue that discusses Good Fishing Needs Good Habitat; Recipe for a Healthy Stream; Stream Improvement Toolbox; Lake Improvement Toolbox; and Help this Habitat (activity).

**ACTIVITY- Habitat Management Coloring Page-** <http://ow.ly/M1Ng50Ewojk>

**ADDITIONAL RESOURCE- Lake Habitat Improvement Maps-** <http://ow.ly/slOj50Ewoj7>
