

## **A&E Portal Education Packages:**

Are you looking for virtual learning resources on PA's watersheds? The Pennsylvania Fish and Boat Commission (PFBC) can help. Our Activities and Education Portal (A&E Portal) offers a variety of material on ten different topics to keep people of all ages interested in learning more about aquatic conservation and getting outdoors!

Whether you are building a STEM-, STEAM-, or STREAM-based curriculum, you can use the A&E Portal to support PA State Academic Standards for Environment and Ecology, and Health, Safety, and Physical Education.

### **Watersheds-**

#### **VIDEO playlist- Watersheds, Water Cycles, and Stream Orders–**

YouTube: <http://ow.ly/hkR250D2uXV>

In this playlist, PFBC introduces viewers to what a watershed is, the water cycle, what stream orders are, and even takes you to a few streams, sharing what their stream order number is.

#### **PLAY newsletter- Watersheds and Stream Order- <http://ow.ly/esF550D2uXR>**

PLAY issue that discusses what a watershed is and the concept of stream order.

#### **ACTIVITY- Build a Watershed – Just Add Water (from PFBC's WILD About PA Fishes Curriculum)- <http://ow.ly/Byrc50D2uXO>**

This activity introduces participants to what a watershed is, how landscapes can influence the path of water, influence of land use, and what “we all live downstream” means.

#### **ADDITIONAL RESOURCE- A River Flows Through It- <http://ow.ly/Tf0Z50D2uXQ>**

This brochure describes the river continuum concept and how we all live downstream.
