

A&E Portal Education Packages:

Are you looking for virtual learning resources on PA's macroinvertebrates? The Pennsylvania Fish and Boat Commission (PFBC) can help. Our Activities and Education Portal (A & E Portal) offers a variety of material on ten different topics to keep people of all ages interested in learning more about aquatic conservation and getting outdoors!

Whether you are building a STEM-, STEAM-, or STREAM-based curriculum, you can use the A&E Portal to support PA State Academic Standards for Environment and Ecology, and Health, Safety, and Physical Education.

Macroinvertebrates-

VIDEO playlist– PA's Aquatic Macroinvertebrates- YouTube: <http://ow.ly/4JeJ50DnCv6>

In this playlist, you can watch all the PFBC's current videos related to aquatic macroinvertebrates and choose the one best-suited for your curriculum.
