

## **A&E Portal Education Packages:**

Are you looking for virtual learning resources on how the Pennsylvania Fish and Boat Commission fulfills its Mission to “protect, conserve, and enhance the aquatic resources of the Commonwealth and provide fishing and boating opportunities”? The Pennsylvania Fish and Boat Commission (PFBC) can help. Our Activities and Education Portal (A&E Portal) offers a variety of material on ten different topics to keep people of all ages interested in learning more about aquatic conservation and getting outdoors!

Whether you are building a STEM-, STEAM-, or STREAM-based curriculum, you can use the A&E Portal to support PA State Academic Standards for Environment and Ecology, and Health, Safety, and Physical Education.

### **PFBC: Mission in Action-**

**Fishing and Boating Opportunities video-** [Fishing and Boating Opportunities: PA Fish and Boat Commission - YouTube](#)

Since 1866, the Pennsylvania Fish & Boat Commission (PFBC) has been both protecting the Commonwealth’s aquatic resources and providing recreational fishing and boating opportunities throughout the state. This video provides a concise overview of the fishing and boating opportunities available in Pennsylvania provided by the PFBC.
