

A&E Portal Packages- Fly Fishing:

Are you an educator, parent, or angler looking for virtual learning resources? The Pennsylvania Fish and Boat Commission (PFBC) can help. Our Activities and Education Portal (A&E Portal) offers a variety of material on ten (10) different topics to keep students and anglers of all ages interested in learning more about aquatic conservation and getting outdoors!

Whether you are building a STEM-, STEAM-, or STREAM-based curriculum, or just wanting to expand your own knowledge, you can use the A&E Portal to support PA State Academic Standards for Environment and Ecology; and Health, Safety, and Physical Education.

What follows is a **Fly Fishing** Sample Package that we have pulled together for you. Use ours or create your own, here: <https://bit.ly/AEPortalLandingPage>
