

A&E Portal Packages- Kayak Fishing:

Are you an educator, parent, angler, and/or paddler looking for virtual learning resources on kayak fishing? The Pennsylvania Fish and Boat Commission (PFBC) can help. Our Activities and Education Portal (A&E Portal) offers a variety of material on ten (10) different topics to keep students, anglers, and boaters of all ages interested in learning more about aquatic conservation and getting outdoors!

What follows is a Kayak Fishing Sample Package that we have pulled together for you. Use ours or create your own, here: <https://bit.ly/AEPortalLandingPage>
