Take a Friend Fishing

You know how to tie clinch knots, and you can hook worms. Are you ready for another challenge? Show someone else how to fish. If you can't share your memories with someone, what fun is fishing?

This issue of *PLAY* will provide basic fishing information that you can share with friends and family. This way, they can enjoy some fishing fun with you. Visit www.fishandboat.com, and go to our "Learning Center" for other information that can help you and your friends become expert anglers.
