Wildlife Forever announced the winners of the 2015 State-Fish Art Contest. First place state-winners were honored at the annual State-Fish Art EXPO in Hot Springs, Arkansas. Included were the works of four Pennsylvania winners. An awards ceremony honored the winning artists.

Wildlife Forever is a non-profit, all species conservation organization dedicated to preserving America's wildlife heritage. Pennsylvania is a partner in the contest. The contest requires students in grades kindergarten through 12 to depict any officially designated state fish and provide a composition related specifically to the fish's characteristics, habitat, behavior or efforts to conserve it.

Art contest rules and regulations appear on page 53.

Visit Wildlife Forever's contest site at www.statefishart.org for the entry form, winning artwork from all states and additional information. ☐

RULES & GUIDELINES

• The Wildlife Forever State-Fish Art Contest is open to all children in grades K-12 in any public, private or home-school, any youth group, after-school program, youth camp, scout troop, art class or any individual who wants to enter. Only one entry per child will be accepted.

• Portfolios will be judged on the quality of the artwork.

• The artwork must call attention to any officially designated state fish. Pennsylvania's state fish is the Brook Trout. The fish must be depicted in its natural habitat.

• All artwork must be the contestant's original, hand-done creation. Photographs and computer-generated artwork will not be accepted.

• All artwork must be 9"x12" and horizontal, without a mat, frame, cover sheet or border. Art techniques may include scratchboard, pointillism, chalk, charcoal, dry brush, watercolor, crosshatch, lead, collage, linoleum printing or crayon. If contestants use chalk or lead, they should seal the artwork with a fixative.

• All artwork must not exceed ¼ inch in total thickness.

Sylvia Cathell, Grades 7-9

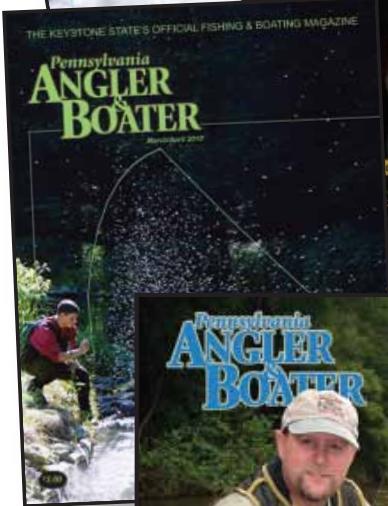

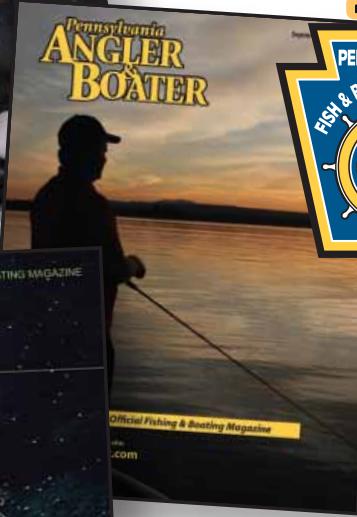

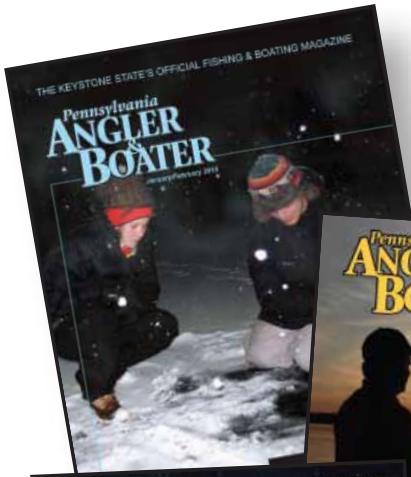

Dafne Lopez-Santiago, Grades 10-12

• The design should NOT have the artist's signature, initials or name on the front. Other writing is allowed as long as it is actually part of the art's design (for example - name of a boat, name on a pier, maker of a lure, etc.). Any artwork not following this guideline will be disqualified and eliminated from the competition.

• Completed portfolios must include a composition not to exceed one side of one page in length. The composition **must** include the student's name, state and grade on the back. The composition may be an essay, story or poem written in the student's own words showing a personal understanding of their chosen state fish.
