

Notice
Classification of Wild Trout Streams
Additions, Revisions and Removal

The Fish and Boat Commission (Commission) approved the addition of ninety-nine new waters to its list of wild trout streams and the revision to the section limit of one water on that list as set forth at 48 Pa. B. 2729 (May 5, 2018). Under 58 Pa. Code § 57.11 (relating to listing of wild trout streams), it is the policy of the Commission to accurately identify and classify stream sections supporting naturally reproducing populations of trout as wild trout streams. The listing of a stream section as a wild trout stream is a biological designation that does not determine how it is managed. The Commission relies upon many factors in determining the appropriate management of streams. The Commission's Fisheries Management Division maintains the complete list of wild trout streams and it is available on the Commission's website at <http://www.fishandboat.com/Fish/PennsylvaniaFishes/Trout/Pages/TroutWaterClassifications.aspx>.

FOR THE PENNSYLVANIA FISH AND BOAT COMMISSION:

John A. Arway
Executive Director
