

Notice Proposed Special Regulation Designations

The Fish and Boat Commission (Commission) has approved guidelines with regard to encouraging public participation on possible changes to the designation of streams, stream sections, or lakes for special regulation programs. Under 58 Pa. Code Chapter 65 (relating to special fishing regulations), the Commission designates or re-designates certain streams, stream sections, and lakes as being subject to special fishing regulations. These designations and re-designations are effective after Commission approval when they are posted at the site and a notice is published in the *Pennsylvania Bulletin*. Under the Commission's guidelines, a notice concerning the proposed designation or re-designation of a stream, stream section, or lake under special regulations ordinarily will be published in the *Pennsylvania Bulletin* before the matter is reviewed by the Commissioners.

At the next Commission meeting on January 25 and 26, 2021, the Commission will consider taking the following actions with respect to waters subject to special fishing regulations under 58 Pa. Code Chapter 65, effective upon publication in the *Pennsylvania Bulletin*.

58 Pa. Code § 65.9. Big Bass waters program.

The Commission will consider adding the following waters to its list of "Big Bass Regulation" waters regulated and managed under 58 Pa. Code § 65.9:

At this time, the Commission is soliciting public input concerning the above designations. Persons with comments, objections, or suggestions concerning the designations are invited to submit comments in writing to the Executive Director, Pennsylvania Fish and Boat Commission, P.O.
