Wildlife Forever announced the winners of the 2011 State-Fish Art Contest. All winners were featured in an art display in Athens, Texas, during the State-Fish Art EXPO. Included were the works of the three Pennsylvania winners. An awards ceremony honored the winning artists.

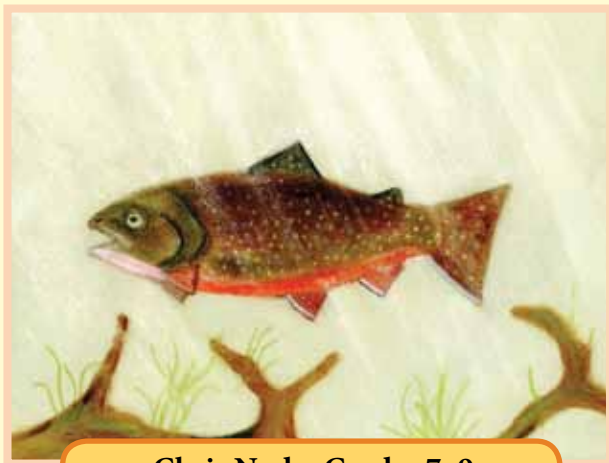

Wildlife Forever is a non-profit, all-species conservation organization dedicated to preserving America's wildlife heritage. Pennsylvania is a partner in the contest.

The contest requires students in grades 4 through 12 to depict any official state fish and provide an essay on that fish's characteristics, behavior, habitat or efforts to conserve it. Pennsylvania's official state fish is the brook trout.

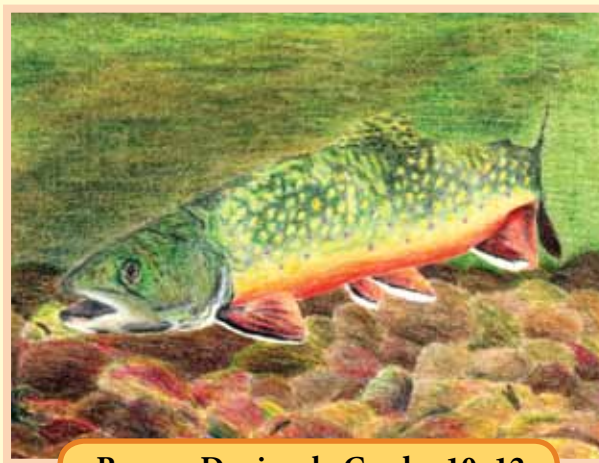

Contest rules and regulations appear in this issue on page 14, and an entry form is on page 15. Winning artwork from all states can be viewed on Wildlife Forever's contest site at www.statefishart.com. ☐
