

# Pennsylvania Fish & Boat Commission MENTORED YOUTH TROUT DAY

Saturday,  
March 23, 2013

The Pennsylvania Fish & Boat Commission held its first Mentored Youth Trout Day on Saturday, March 23, at twelve locations across the state. The event was held to evaluate angler interest and determine if the agency resources would be available to expand the program statewide. Registered adult mentors and youth anglers were permitted to fish

for trout on this day under a temporary change of fishing regulations. Adults 16 years of age or older were required to possess a valid Pennsylvania fishing license and current trout/salmon permit. Additional photos are available at [www.facebook.com/PaFishandBoat](http://www.facebook.com/PaFishandBoat). To register for other fishing programs, go to [www.TakeMeFishingPA.com](http://www.TakeMeFishingPA.com). ☐
