CAREERS with the Pennsylvania Fish & Boat Commission

Do you want to protect, conserve and enhance Pennsylvania's aquatic resources, and provide fishing and boating opportunities?

As you prepare to go back to school, think about your interests and what you may like to do for a job one day. If you like being outdoors and going fishing

and boating, you may want to work for the Pennsylvania Fish & Boat Commission (PFBC).

The PFBC offers many different types of jobs. There are more than 350 full-time employees and more than 50 seasonal and part-time employees including secretaries, mechanics, educators, biologists and other jobs. Staff work in headquarters offices, region offices, hatcheries and other locations throughout the state. Maybe one day you could be working for PFBC!
