## Fishing for Catfish— Nighttime Summer Fun

School's out, and you're enjoying that hot summer weather. There's a ton of outdoor fun to be had during the long days of summer—swimming, hiking, biking and, of course, fishing. Did you also know that you could have a great time fishing at night? Nighttime is one of the best times to fish during the summer. Fish are looking

to stay cool, and they are not very interested in feeding during the midday heat. In fact, nighttime is the best time to fish for catfish.

This issue of *PLAY* is all about fishing for catfish. Learn about Pennsylvania catfish, night safety, catfishing equipment and bait, and where to go fishing for catfish.
