

To: Emergency Boat Operations and Rescue Instructor Candidates
 From: Chris A. Calhoun – Course Coordinator
 Date: 12/5/2023
 Re: Course Information

Training Course Overview:

This two-day course will instruct the student how to teach the Pennsylvania Fish and Boat Commission (PFBC) Emergency Boat Operations and Rescue curriculum. Classroom and practical hands-on training include: boat selection, recommended equipment, boat handling, moving-water tactics, and boat rescue techniques. Students must demonstrate teaching competency in the classroom, and outdoor practical sessions. **They must also demonstrate all practical skills with instructor level proficiency.** EBOR meets NFPA 1670 Technician-level guidelines. Video clip: <https://youtu.be/2lUmCuBD0VU>

Pre-requisite:

- Water Rescue & Emergency Response Instructor
- Emergency Boat Operations and Rescue (basic level) or equivalent nationally recognized program
- [Boating Safety Education Certificate](#) (hyperlink to course information)
- CPR and first aid training
- Teaching experience in EMS, rescue, fire, or similar discipline
- All documentation **must be submitted with registration form**

Dates, Times, and Location of Training:

September 14-15, 2024

- Saturday – Classroom and outdoor practical – start time 8:00 am
- Sunday – Classroom and outdoor practical

Location of Course: PFBC Headquarters – 1601 Elmerton Ave. - Harrisburg, PA 17106-7000

Course Cost:

PA Resident <ul style="list-style-type: none"> • \$450 • Cost DOES NOT include lodging or meals 	Out-of-State <ul style="list-style-type: none"> • \$550 • Cost DOES NOT include lodging or meals
--	---

HEALTH AND SAFETY Plan – Information will be provided prior to training. Plan will follow universal health mandates and guidelines at time of training.

Hazards of Training:

Students must be prepared to engage in strenuous activities in **extreme weather and water conditions**. Students must be able to swim. If a student has a known medical condition that could foreseeably jeopardize his/her safety during participation or be aggravated by participation, **the student should not participate**.

Water Hazards:

- Cold, deep, and swift water - water obstructions (i.e. rocks, strainers, free floating debris, etc.) - other water users (fishing and boating) – please be courteous.

Environmental Hazards:

- Uneven walking surface and loose debris - slippery rocks, steep slopes, and shoreline - poisonous plants, animals, and insects - traffic

Weather Hazards

- Temperature – hot (hyperthermia) or cold (hypothermia) - Storms – lightening (all training will stop until storm has passed). Students will be directed to shelter. Rain, snow or hail may or may not stop training exercise. Weather emergencies will be handled at the discretion of the instructor/trainers. - Sun – risk of sunburn

Student Equipment Requirements:

- Customized U. S. Coast Guard approved PFD Type III or V with knife, 2 locking carabineers and whistle
- Water rescue helmet – **must provide front, side, and back of head protection**
- Appropriate thermal protection for weather and environmental conditions: **Mandatory - Dry suit** (Note: cold water exposure, immersion, survival, and ice rescue suits are prohibited for moving water). Thermal layering under dry suit - inner wicking material (i.e. polypropylene) - Middle insulation material (i.e. polyester)
- Hand protection for working with rope - neoprene gloves
- Feet protection – river sneakers or neoprene water rescue boots with synthetic or wool blend socks
- Straps for glasses
- Fluids (water or sports drink) and food (high energy snacks)
- Personal items (first aid needs (i.e. inhalers, EpiPen, hygiene items, sunscreen, etc.)
- Towel
- Gear bag and large garbage bag to hold wet items

Lodging Options near PFBC Headquarters - Recommended location would be the Staybridge Suites. It is just down the hill from the office.
